

HOW TO PAY YOUR DISTRICT BUDGET IN 2026

Beginning in January 2026, all budget allocations will need to be completed online via Funding The Mission. This shift should accomplish two goals:

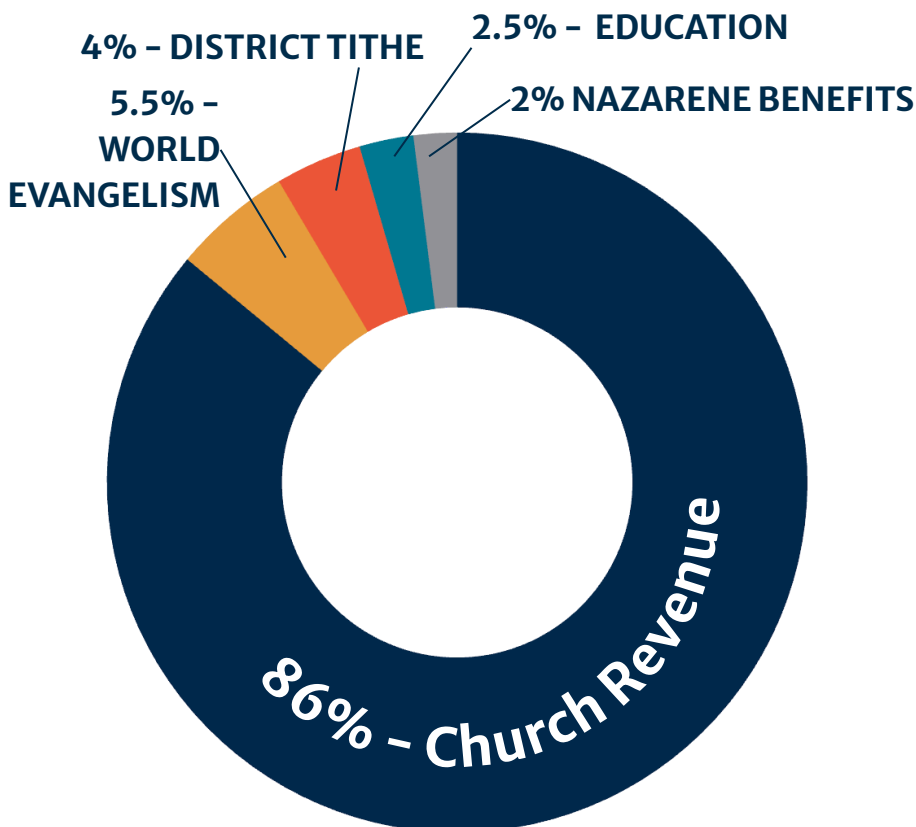

Fast & Secure
Transfer of
Funds

Easy Access to
Giving
Statements

The giving percentages have not changed - every church is responsible for allocating 14% of their annual revenue from tithes and offerings to support the mission of the Metro New York District and Church of the Nazarene. Here's how your contribution is allocated:

HERE'S AN EXAMPLE:

If your church receives an annual amount of **\$150,000** from tithes and offerings, your total allocation giving at **14%** is **\$21,000:**

- **\$6,000** will go to district tithes (28.57% of \$21,000)
- **\$8,250** will go to World Evangelism fund (39.29% of \$21,000)
- **\$3,750** will go to the Education fund (17.86% of \$21,000)
- **\$3,000** will go to Nazarene Benefits (14.29% of \$21,000)
